MAKING SPACE MORE VALUABLE

External Softwood Doors

General Construction

This versatile door is an ideal choice for entrances to the garden and can also create a rustic and homely feel in barn conversions. The FL&B is not suitable for a stained finish.

Construction

Framed, Ledged and Braced construction using selected redwood timber.
Redwood board and braces loose pinned.
Pre-treated to protect against fungal decay and rot.

Timber Specification

Timber Species	Redwood
Moisture Content	14 -18%

Fire Certificate: Not Applicable

Glazing Certificate: Not Applicable
