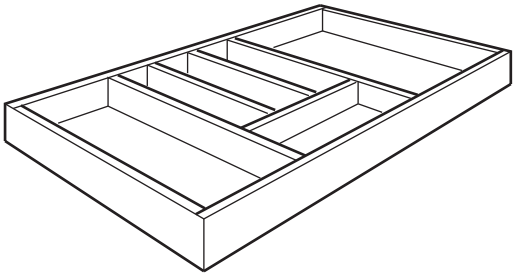
Internal Storage Drawer **RKLE8275**

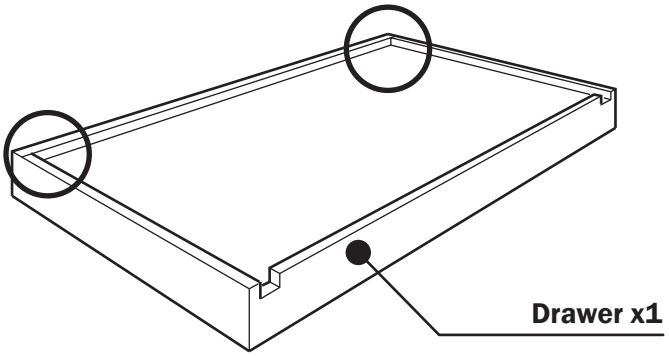


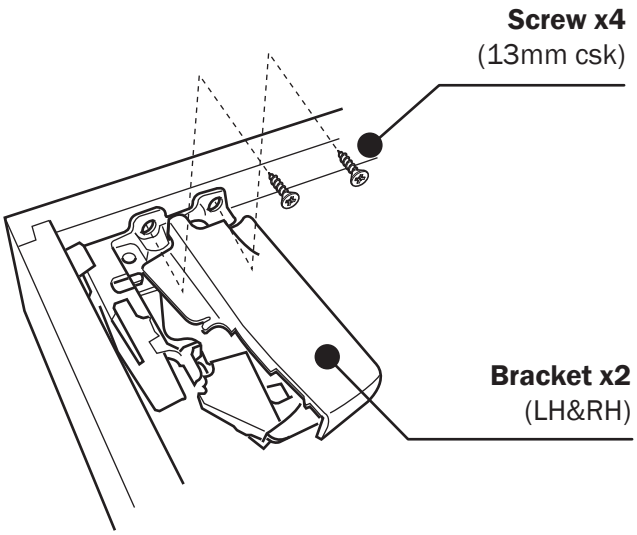
NOTE: Ensure packaging is disposed of in a safe environmentally friendly way

Assembly

1

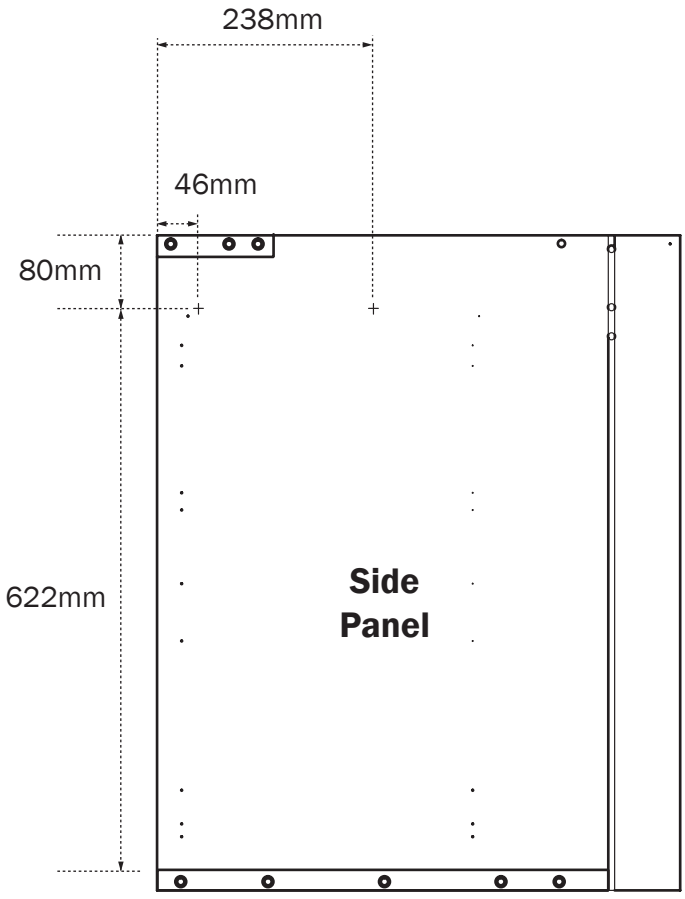
Note: Make sure the bracket is flat to the base of the drawer when fixing.





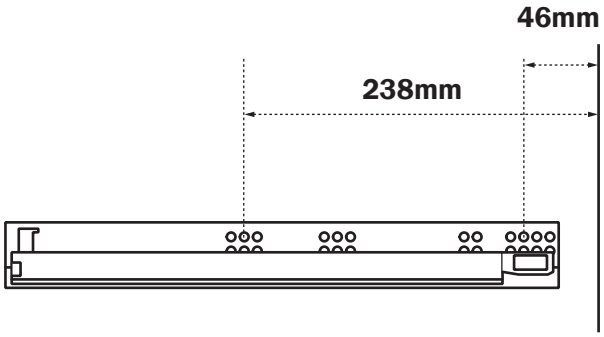
2

Mark & spike the hole positions in side panels.



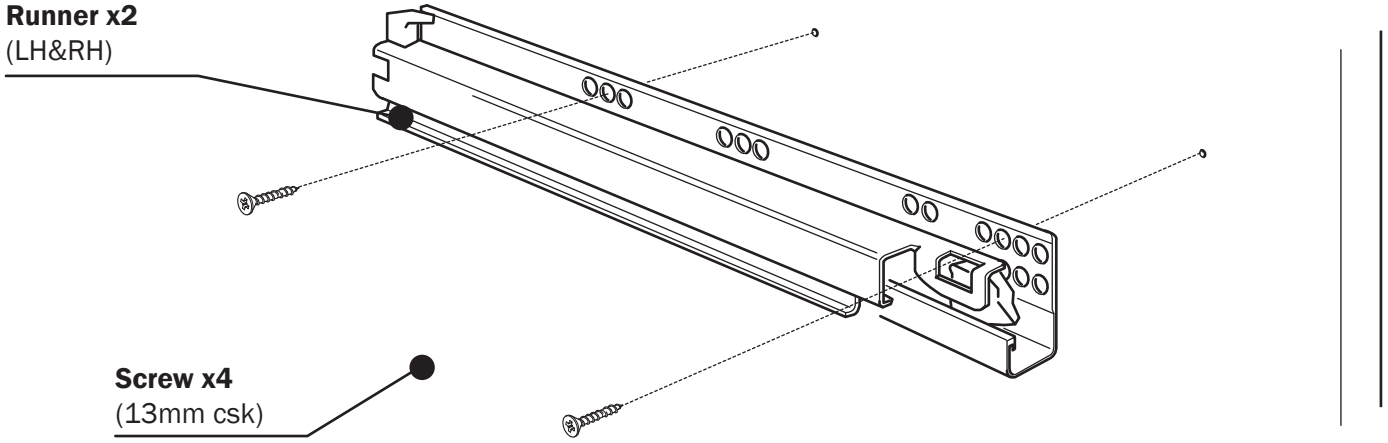
Assembly

3



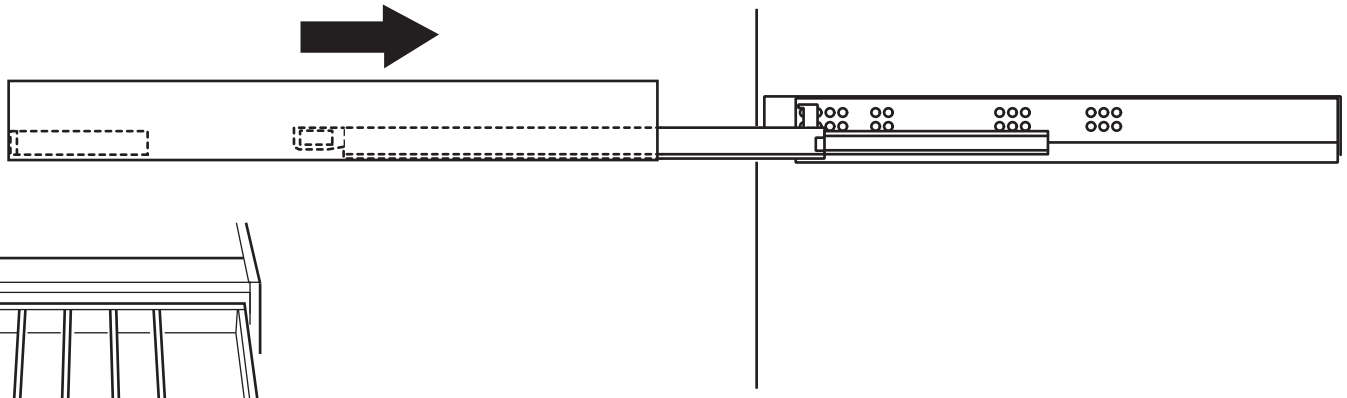
Runner x2
(LH&RH)

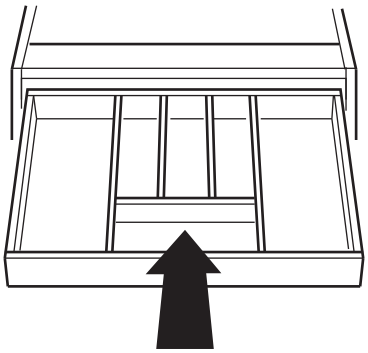
Screw x4
(13mm csk)



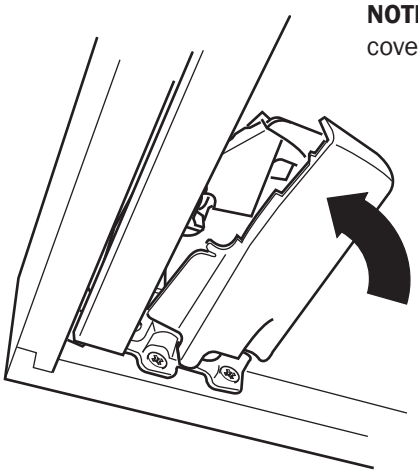
4

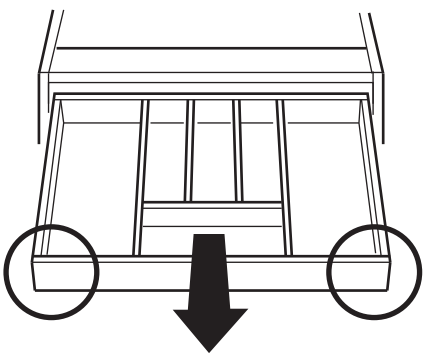
Position drawer onto extended runners
and slide into the cabinet until runners ‘click’ into front brackets.





NOTE: To release the drawer, push in the bracket covers each side and slide the drawer forward.





Follow your installation manual for all other aspects of cabinet installation
