Product dimensions metric	H47mm x W950mm x D540mm
Product weight	21.85kg
Product packed dimension	H150mm x W550mm x D950mm
Product packed weight	23kg

Additional information

As the induction hob creates a magnetic field around its vicinity, it is not suitable for people who have a pacemaker or insulin pump in their bodies.

Hob comes with fast-fit clips, eliminating the need to secure with screws.

Hob comes pre-fitted with a mains lead for quicker installation.

This hob requires appropriately sized cookware suitable for use on an induction hob.

Please note considerations need to be made if fitting on the NEW Handleless kitchens.

Refer to separate compatibility guide or speak to your local depot.
