

# HNF2802 Neff T Box Extractor

| Technical Information                       |                                 |
|---|---------------------------------|
| Appliance energy efficiency                 | A                               |
| Extraction rate                             | 414 m <sup>3</sup>              |
| Extraction rate ltr/s                       | NaN L/s                         |
| Intensive speed setting                     | Yes                             |
| Noise level                                 | 61 dB                           |
| Number of fan speeds                        | 3 + 2 Intensive                 |
| Touch control                               | Yes                             |
| Built in light                              | Yes                             |
| Number of lights                            | LED                             |
| Automatic fan                               | No                              |
| Remote control                              | No                              |
| Outlet spigot diameter                      | 120/150mm                       |
| Electrical supply rated voltage @ Frequency | 220-240 V @ 50/60 Hz            |
| Total input power (watts)                   | 143 W                           |
| Amperage required                           | 10 A                            |
| Mains lead length                           | 1.3 m                           |
| Mains lead plug                             | UK 3 pin                        |
| Accreditation CE                            | CE Marked                       |
| Approval directives                         | CE<br>VDE                       |
| Guarantee                                   | 2 Year Manufacturer's Guarantee |

| Dimensions & packaging       |                                  |
|------------------------------|----------------------------------|
| Product dimensions metric    | H628mm - 954mm x W598mm x D500mm |
| Extractor Chimney dimensions | W260mm x D250mm                  |
| Product weight               | 19kg                             |
| Product packed dimension     | H585mm x W650mm x D670mm         |
| Product packed weight        | 19kg                             |

| Accessories                |         |
|----------------------------|---------|
| Rigid ducting kit 125mm    | APL2805 |
| Flexible ducting kit 125mm | APL2806 |
| Flexible ducting kit 150mm | APL2807 |
