

World's first lift-and-load. Bring the dishes to you

The 9000 ComfortLift® Dishwasher revolutionises dishwashing with the world's first lift-and-load basket. This advanced mechanism lifts the rack to a comfortable height for easy loading and unloading.

Product Benefits & Features

ComfortLift®. Effortless dishwashing. Mastered

This world-leading ComfortLift® gently lifts the lower dishwasher rack up to a comfortable height. For easy loading and unloading. Elevating dishwashing to a whole new level.

Customisable eco dishwashing with just a touch

With the 6000 QuickSelect Dishwasher you can use the My Time slider to select the cycle time, the Ecometer will display the eco performance for each of the possible selections. So, you can easily select the best option with just a touch.

Customisable space and convenient cleaning with MaxiFlex

The MaxiFlex drawer is engineered to accommodate cutlery and utensils of many sizes, whether large or awkwardly shaped. Flexible dividers and maximised depth mean each load is customisable. Essentially every item is seamlessly loaded and cleaned in one go.

At-a-glance check

This dishwasher has a clever way to keep you fully up to date with the status of your dishes. Its beam-on-floor technology projects a red light onto the floor while the cycle is still in progress. And when everything is ready to unload, it switches to a green one. Simple, and effective.

SatelliteClean®. Powerful dishwashing. Without using extra water

Even closely stacked or larger dishes receive deep cleaning with SatelliteClean®. The innovative spray arm guarantees corner-to-corner cleaning. With up to 3x better spray coverage providing stunning results across every surface.
