

Precise power levels. Perfect results

The advanced technology of the StepPower Gas Hob allows you to easily set the hob's flame controls between levels 1 through 9, so you can deliver exact and consistent heat to pots and pans, without having to bend down to see the flame.

Product Benefits & Features

StepPower. For precise heat

Experience precision on the hob with StepPower controls. And produce consistently delicious dishes. The heat can be set at levels 1 to 9, with each ascending increment offering more power. Because exact settings mean outstanding results.

- Main colour: Black

Speed Burners - accurate heat for faster performance

The design of the Speed Burners in this AEG gas hob allows for the flames to directly target the bottom of the pan, providing quicker heat and greater efficiency. These high-speed burners get you cooking up to 20% faster.

Get powerful heat, with the Powerful Wok

Experience fuller flavour in your favourite dishes with this Powerful Wok. It generates intense, direct heat – ideal for searing seafood and locking in mouth-watering stir-fry flavours. Wok cooking mastered.

Add a premium look to your hob, with Cast Iron Grid pan supports

Add a professional look to your kitchen with durable and premium cast iron pan supports. Continuous cast iron pan supports let you slide your cookware easily and safely without having to lift them for a seamless cooking experience

Integrated Ignition - quick access to powerful heat for cooking

With Integrated Ignition, all you have to do is gently turn and press the knob, to effortlessly and comfortably spark a flame from the hob.

Product Specification

Product Installation	Built_In	Gas category	I12H3+
Product Typology	Gas_Hob	Frequency	50-60
Product Classification	Exploration	Voltage	220-240
Installation	Independent	Cord length external	1.1
Size	75	Type of plug	UK Moulded
Hob type	Gas On Glass	Connector type	Conic gas elbow
Design family	AEG		
Main colour	Black		
Control Panel material	Glass		
Frame type	No		
Knobs colour	Black, Stainless Steel		
Top Control Place	Front Middle		
Type of controls	Knobs 9 Steps Power		
Other comments design	no led		
Width mm	740		
Depth mm	510		
Built in height mm	43		
Width cutting	560		
Depth cutting	480		
Radius cutting	10		
Fastening	Fixing Clamps		
Gas original	G20 (2H) 20 mbar		
Gas replacement 2	G30/G31 (3+) 28-30/37 mbar, With Additional Injectors		
Gas replacement 3	No
