

Food kept juicy, food kept hydrated

The 6000 TwinTech® No Frost Fridge Freezer, keeps food 60% juicier than fridges with one evaporator. Its dual cooling system maintains the ideal humidity and keeps food from drying out. Which also removes having to defrost the freezer.*

Product Benefits & Features

TwinTech® No Frost - keeps food juicy and hydrated

With TwinTech® No Frost you never have to defrost the freezer. Its dual cooling system keeps food 60% more hydrated than fridges with one evaporator.* By not using dry freezer air, it maintains ideal humidity and keeps food from drying out.

- For fully integrated, slide door installation
- Net capacity freezing compartment: 61 l
- Net capacity refrigeration compartment: 192 l
- Automatic defrosting of the freezer compartment
- Automatic defrosting of the cooling compartment
- Fast freeze function
- Freezer with Frostmatic function for rapid freezing
- Audible and visible high temperature warning signal
- Audible and visible warning signal for open door
- Refrigerator lighting: 1, Integrated to controls
- Refrigerator shelves: 4 Full Width, White Plastic
- Egg tray: 2 for 6 eggs
- Flexi-Space: removable glass shelves in freezer compartment
- Freezer shelves: 2, Full Width, Glass
- Freezer drawers: 3 Full Width, Transparent Plastic
- Special refrigerator drawers: No Trims
- Door hinges placement: Right & Reversible
- 1780 mm built-in height
- Fridge freezer colour/design: White

Ten-years peace of mind

Ten-year warranty on the Compressor provides maximum peace of mind. The warranty includes labour, transportation, gas removal and refilling, general maintenance, and service costs.

Internal Electronic Control. For cooling precision

The Internal Electronic Control feature gives you full command of the storage conditions of your food. The LED indicators show you the temperature setting clearly for convenient adjustment and control.

Perfectly fresh food with Frostmatic

The Frostmatic function activates the maximum freezing power, so your fresh produce freezes as quickly as possible. The freezer then returns to its normal setting.

LED lighting illuminates every corner

The internal LED lighting produces a discreet, soft light, shining evenly across the whole space. Plus, LED bulbs are smaller and more energy efficient than standard bulbs – a more sustainable choice.

Product Specification

Product Installation	Built_In	Ambient switch control	None
Product Typology	Bottom_Freezer	Intensive cooling fridge	No
Product Classification	Performance	Holiday function	No
Installation	BI Slide Door	Service advice function	No
Freezer position	Bottom	On/Off indicator control	None
