

Benefits

- Great source of mood lighting
- Simple installation process
- LED technology for long service life
- 1 Light – 3 colour settings

Key Features

- Diffused cover means no visible LEDs
- Easy to install
- Fittings can be daisy chained for simple installation
- High light output

Product overview

The Halo TrioTone[®] is a great option to add some sleek and stylish mood lighting into any kitchen or bathroom design.

TrioTone[®] technology enables the fitting to switch between three colour temperatures via a switch on the back of the lamp, a feature that has proved to be incredibly popular as it can adapt to all styles of kitchen designs while reducing the number of SKU's.

A combination of input and output cables enable multiple fitting to daisy chain together during installation, and special barbs are moulded into the body to allow for a flush and contemporary finish.

Mechanical Specification

Product Name	Dimensions (mm)	Weight (grams)	IP Rating
All Variants	Ø30 x 13	40	IP44

Technical Specification

Power	0.5W
Voltage	24V
