Product overview

The Hype TrioTone[®] is a Sensio classic, perfect for adding great value task lighting to any kitchen design.

Featuring TrioTone[®] technology, the light source can be changed to three different shades of white, and cleverly integrated magnets enable the bezel and collar to be interchangeable. Two features that have proven to be incredibly popular as the product can be tailored to any kitchen style.

The product also features a quick-connect port on the underside of fitting, which enables the power cable to be detached easily for installation and serviceability. A feature that is incredibly popular with kitchen fitters.
