

Series 11 Built in 60cm Dishwasher with WaterJetClean, Auto Door & SmartThings

Feature	Description
WaterJetClean	Get better washing results using the new WaterJet Clean™. With rotating dual wash arms, it delivers more intensive cleaning from every angle. The two spray arms have separate water jets and rotate in opposite directions, so it cleans heavily soiled pots, pans and dishes quickly and thoroughly.
Auto Door Open	Auto Door Open lets the steam escape at the end of the cycle, so every item dries perfectly.
Info Light	Check if your Samsung dishwasher is on with one quick glance, as the Floor Info Light projects a blue beam onto the floor when a wash cycle is in progress.
Express Wash (60)	If you're short on time or have lighter loads, Express Wash powers through them in an hour.
Smart Things	Tap into handy reminders, tailored cycles and the freedom to control your dishwasher from anywhere*.
Half Load	Dishwasher only half full? No problem. Run a quick half load and save energy.
Flexible Racks	Loading the dishwasher is much less fiddly with these adjustable racks.
Flexible interior space	Flex your dishwasher space to fit your every load.
Speed Booster	If you're in a rush, whizz through some of your cycles faster, and still get dishes that gleam.
Extra Quiet Wash	Enjoy the peace and quiet of your home while your dishwasher silently washes away in the background.
Self Clean Wash	No one wants to clean the dishwasher, so let ours take care of it for you.
Eco Wash	For lighter loads, choose Eco Wash and bring down those energy bills.
Intensive Wash	Heavy duty loads are no match for the deep cleaning power of Intensive Wash.
Delay Start	Set the dishwasher to go at the time you want, at night when the energy is cheaper, perhaps?
Child Lock	With the handy Child Lock on you can relax when the little ones are around.

Key Specifications

Y = Yes
N = No

Product	Dishwasher
Type	Integrated
EAN	8806094608786
Warranty (Years)	2
Colour	N/A
Capacity (Place Settings)	14
Net Product Width (mm)	595
Net Product Height (mm)	815
Net Product Depth (mm)	552
Cutlery Basket/Tray	Tray
Energy Grade	B
SmartThing/WiFi	Y
Power Cable Length (mm)	N/A
Door Fitting Type	Sliding
Door Weights	4-12kg

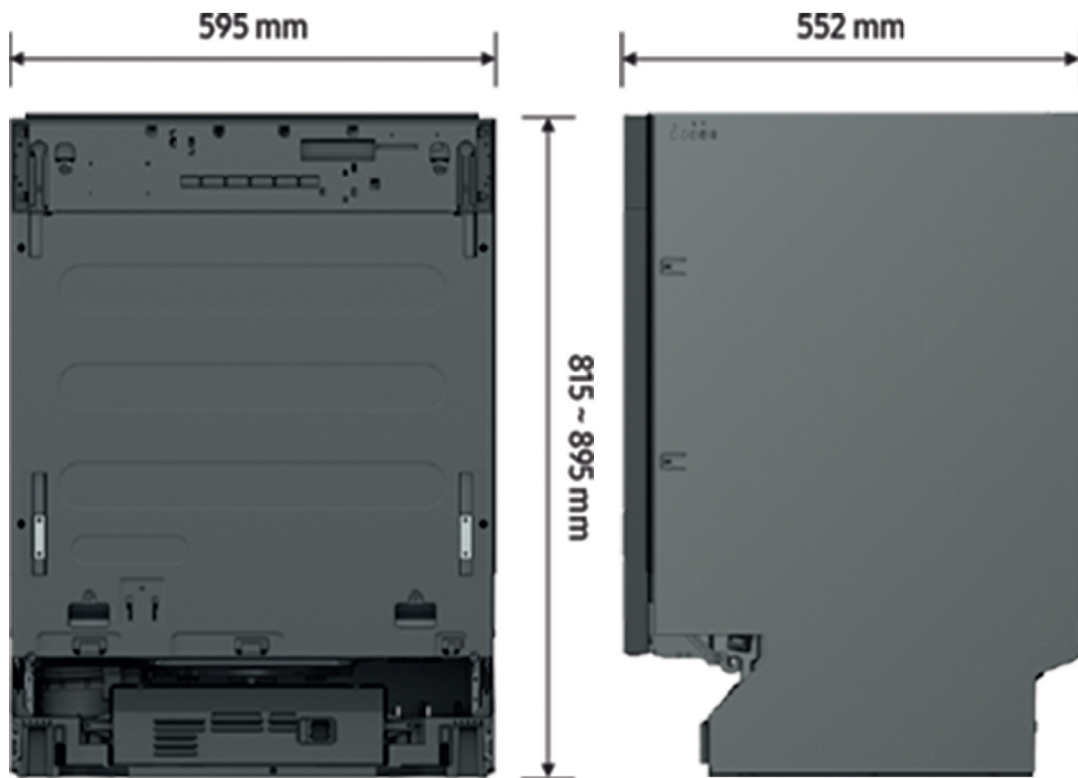

General Specifications

Drying Technology	Auto Door
