

Open the door to natural drying

The Series 20 AirDry dishwasher automatically opens the door in the final part of the cycle, letting fresh air inside – performing three times better than our closed-door systems. Automatic drying, with no extra effort from you. Just unload when it suits your schedule.

Product Benefits & Features

Three times better drying, with AirDry

AirDry technology lets air into the dishwasher in the last phase of the drying process. The door will automatically open to allow a 10cm gap, for up to three-times better drying, compared to our closed-door systems.

- Energy efficiency (2010/30/EC): A++
- Installation: FI
- Loading capacity: 13 IEC settings
- Noise level: only 47 (dB(A) re 1 pW) (2010/30/EC)
- 5 programmes, 3 temperatures
- Dishwasher programmes: 160 Minutes, 90 Minutes, Eco, Quick 30 Minutes, Rinse & Hold
- Warm water connection up to 60°C

- Upper basket with Foldable cup shelves
- Lower basket with Fixed plate racks
- Cutlery basket
- Built-in H(min/max)xWxD (mm): 820/900 x 600 x 550

Quick cycle, to suit your schedule

The Quick programme is ideal when you're short on time, with light loads treated in just 30 minutes. Clean dishes, on your schedule.

Total peace of mind, with MachineCare

The MachineCare programme is designed to keep the dishwasher working at its best. When combined with our special cleaning detergent, grease and limescale are washed away, for better performance and cleaner dishes.

PerfectFit, for effortless installation

The PerfectFit sliding hinges make it really easy to ensure your dishwasher blends in with the rest of your kitchen. The hinges are designed to suit all counter top heights, removing any need to cut the plinth. The perfect fit, every time.

Rinse and hold pre-washing keeps your dishwasher fresh

If it takes you a few days to fill up the dishwasher, the rinse and hold programme will prevent the build-up of odours in the meantime. Water jets remove food remnants from plates and glassware, making sure the kitchen stays fresh.

Product Specification

Product Installation	Built_In	Heating element type of	Interheater
Product Typology	Full_Width(60cm)	Inlet hose type of	Standard hot
Product Classification	Entry	Inlet hose length	150
Installation	FI	Water supply	Cold or hot
