Care & Installation	
Care and maintenance	<p>To finish and protect the worktop use one of our oil based finishing products. If a different colour is required, please use tinted worktop oils as colour stain is not suitable</p> <p>Wood is a natural material. A proper course of wood treatment is essential to protect and finish a solid wood worktop</p> <p>Water must not be allowed to lie on the surface. Wipe off immediately with a cloth</p> <p>Over a period of time it is necessary to reapply the relevant worktop finishing product to ensure protection of solid wood worktops</p> <p>Please install worktops face up</p> <p>Please note: Natural timber is subject to variance in colour and tone</p>
