Edging Information	
Edging additional information	An equal amount of timber should be removed from each side. Remaining within the parameters of the maximum trim instructions ensures the construction of the door is not compromised and that the door when fitted complies with the fire certificate.

Fitting and finishing

Please refer to door instructions for all fitting information. For identification, the Howdens logo, SKU code and batch number is on the top edge of the door. Doors must be sealed on all edges prior to installation. All fire doors must be fitted in accordance with the fire certificate. Howdens doors do have Kite markings, however it is not a legal requirement to be visible on every door. Fire certification available
