

If an item is faulty and within warranty, depending on the circumstances, the customer will be entitled to either a repair or a replacement product.

The faulty power tool will be repaired and returned by the supplier, ready to use within 10 working days.

For ALL warranty claims, a copy of the customer’s proof of purchase or serial number must be provided to validate a claim.

Standard Warranty* - 3 Years, when tool is registered on <https://evolutionpowertools.com/uk/register/>

For England, Scotland, Wales and UK Channel Islands

- Call **0114 251 1022** or
- Complete Online Form <https://evolutionpowertools.com/uk/in-warranty-repairs/>
