PRODUCT DATA SHEET

EVERBUILD® Sugar Soap Liquid

THE FAST AND EASY WAY TO A BETTER PAINT FINISH

PRODUCT DESCRIPTION

EVERBUILD® Sugar Soap Liquid is a solution which effectively removes grease, grime and nicotine stains from painted surfaces to improve adhesion and give a better final finish.

USES

- For usage on most types of painted surfaces
- Ideal as a general house cleaner

CHARACTERISTICS / ADVANTAGES

- Powerful formula
- Ready to use
- Cleans and prepares all surfaces
- Concentrated version in 500ml bottle (not spray).
- Removes grease, grime and nicotine

PRODUCT INFORMATION

Packaging	500ml bottle and spray bottle
Shelf Life	24 months
Storage Conditions	Store in cool dry conditions away from direct sunlight between 5 and 20°C. Store in original containers and keep out of reach of children. Dispose of product and packaging correctly.

APPLICATION INSTRUCTIONS

APPLICATION METHOD / TOOLS

Bottled concentration

For preparation prior to painting – make up sugar soap solution by adding ~ 330ml of a bottle of EVERBUILD® Sugar Soap Liquid to 4.5 litres (1 gallon) of hot water and stir well before use. Wipe generously over painted surfaces with a cloth or sponges, working from bottom to avoid run marks. Rinse thoroughly and allow to dry.

For general household cleaning – add ~30ml (1 fl/oz) of EVERBUILD® Sugar Soap Liquid to 4.5 litres (1 gallon) of water, wipe over surfaces with a cloth or sponge and rinse thoroughly and allow to dry. For ceramic tiles, vinyl floors and paintwork, repeat as above but rinsing not required.

Spray concentration

For preparation prior to repainting and general household cleaning: Spray generously onto surface to be painted / cleaned, working from bottom to top to avoid run lines. Rinse thoroughly and allow to dry.

For washbasins / sinks / baths – Spray a little Sugar Soap solution onto a damp cloth and wipe. Rinse with clean cold water.

LIMITATIONS

- Always mix with clean fresh water (except spray).
- Use only as directed
- Protect polished surfaces, carpets and upholstery prior to use. To avoid staining mop up spills immediately
- It is users responsibility to determine suitability for use. If in doubt please contact technical services for advice.

VALUE BASE

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

LOCAL RESTRICTIONS

Note that as a result of specific local regulations the declared data and recommended uses for this product may vary from country to country. Consult the local Product Data Sheet for the exact product data and uses.

ECOLOGY, HEALTH AND SAFETY

Consult MSDS for full list of hazards.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
