# MATERIAL SAFETY DATA SHEET

**Material: GRIPFILL SOLVENT FREE**

**Code: L18631 Date of Issue: April 2003 Version: 2**

## 1. Preparation and Company Identification

**Preparation trade name: GRIPFILL SOLVENT FREE**

**Supplier:** LAYBOND PRODUCTS LTD,  
**Address:** Riverside, Saltney, Chester CH4 8RS, England  
**Telephone:** (+44) 01244 674774  
**Emergency:** As above

## 2. Composition/Information on Ingredients:

A water based styrene acrylic polymer emulsion containing inorganic extenders, fillers, surfactants and fungide.

<u>CAS Number:</u>	<u>Chemical Name:</u>	<u>%:</u>	<u>Classification:</u>
--------------------	-----------------------	-----------	------------------------

## 3. Hazard Identification:

No major health hazard exists. As a general precaution repeated or prolonged skin contact should be avoided.

## 4. First Aid Measures:

**Inhalation:** Remove to fresh air. If discomfort persists seek medical advice  
**Skin Contact:** Remove contamination with proprietary skin cleaner, followed by washing with soap and water. This procedure should also be followed prior to eating drinking, smoking and toilet functions.  
**Eye Contact:** Irrigate immediately with clean water for 15 minutes and obtain medical attention.  
**Ingestion:** If swallowed, seek medical advice immediately. Do not induce vomiting.

## 5. Fire-Fighting Measures:

**Suitable Extinguishing Media:** Dry Powder, CO<sub>2</sub>, Foam, Sand, Earth  
**Unsuitable Extinguishing Media:** Never use water jet  
**Special Exposure Hazards in Fires:** None known  
**Required Special Protective Equipment for fire fighters:** Product does not support combustion in the uncured state.

## 6. Accidental Release Measures:

**Precautions:** Contain flow with absorbent material. Prevent spills from entering drains and sewers. Dispose of at an appropriate licensed waste disposal site in accordance with current laws and regulations.

## 7. Handling and Storage-

**Handling:** Ensure adequate ventilation.  
**Storage:** Store between 5 and 30°C in tightly sealed containers. No special measures required against fire or explosion. Protect from frost.

**8. Exposure Controls:**

<b>Respiratory Protection:</b>	None required at normal levels of ventilation.
<b>Hand Protection:</b>	Not normally required
<b>Skin Protection:</b>	Not normally required
<b>Eye Protection:</b>	Not normally required.

---

**9. Physical and Chemical Properties:**

<b>Appearance:</b>	Off white emulsion	<b>Flammability:</b>	Not applicable
<b>Odour:</b>		<b>Autoflammability:</b>	Not determined
<b>pH:</b>	Approx 8	<b>Explosive Properties:</b>	Not applicable
<b>Boiling point</b>		<b>Oxidising Properties:</b>	Not applicable
<b>/boiling point range:</b>	100°C	<b>Vapour Pressure:</b>	Not determined
<b>Melting point/</b>		<b>Relative Density:</b>	Approx 1.45
<b>melting point range:</b>	0°C	<b>Solubility (water and fat)</b>	Miscible
<b>Flashpoint (°C):</b>	Non flammable		

---

**10. Stability and Reactivity:** Stable up to 100°C

---

**Hazardous decomposition products:** Carbon dioxide, carbon monoxide.

---

**11. Toxicological Information:** The product does not have any harmful effects according to our experience provided that it is correctly handled.

---

**12. Ecological Information:** The preparation has not been tested. Polymer is not readily biodegradable.

---

**13. Disposal Considerations:** Disposal of material as controlled waste in accordance with local regulations.

---

**14. Transport Information:** Not classified as hazardous for conveyance

---

**15. Regulatory Information:** Material is not classified.

---

**16. Other Information:**

---

**Uses: GAP FILLING ADHESIVE**

*The data contained in this Safety Data Sheet has been supplied as required by the **Chemical (Hazard Identification and Packaging) Regulations 2002**, as amended, for the purpose of protecting the health and safety of industrial and commercial users who are deemed capable of understanding and acting on the information provided.*

**Please ensure that it is passed to the appropriate person(s) in your company, who are capable of acting on the information.**

This information is given in good faith, being based on the latest knowledge available to Laybond Products Ltd. No Known relevant information has been omitted from this Material Safety Data Sheet and the information provided is designed to enable the user to use the product safely. The user should not assume on the basis of the information provided in this sheet that the product is suitable for any abnormal use.

If the information provided is insufficient to ensure safety in any particular application, contact Laybond Products Limited for further advice before the proposed application is undertaken.
