Square profile sealer strip x 2	UK WTC9368
Jointing compound	UK WOR9036
Laminate sample	UK F WHT5115
Slim Worktop Bolt	GIR0029

Care & Installation	
Care and maintenance	For general cleaning, use a damp cloth and a mild detergent or non-abrasive cleaner diluted in warm water Abrasives scouring powders, creams and polishes should be avoided. Potentially persistent stains should be removed immediately. Buff the surface after cleaning with a soft cloth Wipe spilt liquid away from the worktop joints and cut-outs immediately When applying the edging please ensure that it is lined up with the top of the worktop and overhangs at the bottom Trim the edging at the bottom so that the trimmed edge is out of sight

Additional information
Support rails are required with certain cabinet configurations. Please check the support bar application document Slim worktop bolt - GIR0029 must be used when fitting the 22mm laminate worktop. This has a thinner profile to fit the worktop
