

ASP342V

This Freestanding American Style Fridge Freeze comes with both HarvestFresh™ and EverFresh+® technologies inside the crisper drawers. While our HarvestFresh™ technology uses innovative three-color light technology to preserve essential nutrients in your fruit and vegetables, our EverFresh+® technology uses a unique lattice structure for optimal airflow and humidity retention. You'll also enjoy the added convenience of chilled water on tap and an ice dispenser, all effortlessly plumbed for instant access.

H: 179cm **W:** 91cm **D:** 70.5cm

- **Harvestfresh**
- **Plumbed Water and Ice Dispenser**
- **NeoFrost Dual Cooling**

- Harvestfresh-Innovative 3 colour light technology in the salad crisper drawer, cleverly mimics the natural 24 hour sun cycle to preserve vitamins in your fruit and veg for longer
- Plumbed water and ice dispenser for chilled and filtered ice and water on tap.
- NeoFrost Dual Cooling-Two separate fans and evaporators help to maintain optimal humidity and freshness in the fridge and a dry frost free environment in the freezer.
- Advanced electronic touch control LED display gives you complete control at your fingertips without ever having to open the doors, saving you time and energy.
- Chrome wire wine rack is a stylish and convenient way to safely store your bottles of wine. It is also ideal for 2 litre soft drink bottles.
- Fast freeze setting quickly freezes fresh food to preserve the taste and nutrients.
- Quick cool provides a rapid cooling process while keeping nutritional food values and flavours intact.
- Door open alarm will sound if you accidentally leave the door ajar.
- Air Flow Cooling vents in the fridge and freezer maintain an even temperature on every shelf level and rapidly restores the temperature after the door has been opened.
- Side Wall LED Lighting-Find exactly what you're looking for quickly and easily thanks to our side LED lighting which provides a better spread of illumination across your fridge shelves.
